A PLACE TO START

Is this me?

Nobody can answer that for you. But if several of these describe your life, you're not alone — and you're in the right place.

Obsessive patterns

Sexual thoughts and fantasies take over the day, crowding out work, relationships, and everything else. Time disappears into planning or pursuing.

Compulsive behavior

Masturbation, pornography, paid encounters, chat rooms, or casual partners — used far past what you intended, and often escalating.

Loss of control

The behavior continues against your own values, and continues even when it costs you your relationships, health, money, or career.

Harmful patterns

Behavior that crosses into risk, illegality, or harm to other people.

If several of these fit, a support group like SAA may help. A mental health professional can help too — the two work well together.

WHO WE ARE

A safe, confidential fellowship

SAA Milwaukee is a fellowship of people recovering from sexual addiction through the Twelve Steps. We are not therapists, clergy, or a treatment program. We are people who found that we could not stop alone — and who stopped together.

OUR PURPOSE

- Support recovery from sexual addiction
- Carry out Twelve Step work among our members
- Provide coordinated resources to the Milwaukee area
- Reach out to those who still suffer

WHAT TO EXPECT

Come as you are. You don't have to speak, share, or explain yourself. You don't need to have quit anything yet. Listen, and see whether you recognize yourself in what you hear.

What you hear here, and who you see here, stays here. Anonymity is the foundation of everything we do.

No dues. No fees. No RSVP. Just show up.
